PURPOSE: To recognize the top student photographers in Texas for the 2009-10 school year.

Students are selected based on awards received in contests approved by the Imagemaker Committee. This includes state, national and international contests which are open to Texas students and took place between May 2009 and April 2010. Currently, contests which count include the ATPI Fall Contest, TAMU-C, PIEA, and the Best of College Photography Contest. The ATPI Winter Conference cannot be included. Additional contests can be added by contacting the committee at *info@atpi.org*.

List awards won including Best of Show, First, Second or Third place and Honorable Mentions. Best of Show winners are worth 9 points, 1st place - 7 points, 2nd place - 5 points, 3rd place - 3 points and HM - 1 point. International contests like PIEA count an extra 2 points per place.

Every student that is applying for the Top Imagemaker Team should complete one of these forms. Staple additional forms to this first page if necessary. The form should be signed by the student and the teacher. Signing the form indicates that the awards are a result of this student's work this year. **Applications are due back to ATPI by April 20, 2010.**
